

With a Business Web Site or  
E-Commerce Store by  
M & D Creative Concepts,  
LLC

---

In the past Web Design Services were believed to be a benefit primarily for large businesses or those that were technologically savvy home-based entrepreneurs.

Now your business, local service or organization can have your own Website or Ecommerce store - quickly, painlessly and affordably with M & D Creative Concepts Web Design.

We will help you build a strong internet presence that showcases your business or organization.

Your website can grow and expand on your terms as your online business drives more customers to you locally.

## WHY DO I NEED A WEBSITE?

**A professional, personalized Website or E-commerce site geared to your business will allow you to do the following:**

- Expand your business from local to regional to global access.
- Provide a way for travelers to your home town or new residents to easily find your business.
- Share information with customers, vendors, employees, community or family members.
- Reduce your paper advertising costs by offering special online promotions or event notices.
- Offer Items for sale.
- Allow you to grow your internet presence based on your needs and on your terms.

## WHAT WEB SOLUTION IS FOR ME?

*At M & D Creative Concepts LLC, Web Design - we offer 3 packages of web solutions geared to meet your individual business needs.*

### Business Foundation Package

Announcing a new product or service - do it with a web page. Provide a place so new customers can find you online and your established customers can check for specials. Find out more about the Business Foundation Website Package.

### Business Premium Package

Expand your brand look and Internet feel with a Business Premium Package - show off your professionalism with a bells and whistles site that says that you are unique. Your customers will know to expect excellence.

### Ecommerce Package

E-commerce with a flair - expand your business with a web store that is designed with your business in mind. Show the world what you have to sell and have them flocking to you for what they want.

**We will be happy to customize the package you select - to your business needs.**

## WHY M & D WEB DESIGN?

Our Internet background goes all the way back to the 90's and we have seen and experienced the evolution of "browsing the web".

The experience that we have includes a variety of backgrounds in Information Services and Computer Sciences. We utilize many tools to provide the customer exactly what you are looking for, and hopefully some unexpected surprises.

We have built websites for individuals, nonprofit organizations, small businesses and community organizations over the years.

As we are a small business ourselves, we truly believe that by offering exceptional customer service and delivering professionally designed websites - we will exceed your expectations!
